

DAILY ADVENTURES

Ocean Force Adventure Tour - One of the best ways to see Miami is from the water, which gives you the local perspective and fantastic vistas of Miami's stunning skyline! The two-hour zodiac tour takes you on an intellectual trip through the Millionaire's Row homes, Fisher Island, the Port of Miami, Downtown Miami, and all the way down to historical Stiltsville.

Everglades Airboat Tours - Enjoy South Florida's most remote natural habitat on the River of Grass. Experience the Everglades and encounter turtles, fish, birds and of course, alligators and crocodiles. A private airboat is the ultimate way to see the Everglades - you will have the opportunity to learn from the most experienced guides that are natives to the area and have even done shows for National Geographic.

Bahamas Day Trip – Explore a bespoke Outer Island of the Bahamas while avoiding tourist traps and cruise ships, all in a single day. Swim with pigs, turtles, sharks and stingrays. BBQ for lunch on a deserted beach. Snorkel along gorgeous, untouched reefs. Take a guided boat tour to learn more about your island. Explore historic British towns. All of this can be done in a day! For groups up to 9.

Seaplane Tours - A sightseeing sensation that gives you the opportunity of a lifetime to enjoy an unparalleled Miami tour experience from the sky in a Cessna 172 Seahawk Seaplane. They offer an unforgettable one-hour seaplane tour, encompassing all of the sights of South Miami and Miami's skyline, and Key Biscayne with its beautifully restored lighthouse and the saltwater homes in the middle of the pristine Biscayne Bay known as Stiltsville.

Private Boat Charters - Enjoy champagne wishes and caviar dreams aboard your private yacht for a tour of the Biscayne Bay waterways or even the Florida Keys. Explore Millionaire's Row homes, the sandbars, or Miami's beautiful coastline. Your personal captain could even take you to at least one wild, uninhabited island for you to wander barefoot on the sand, swim in the azure waters or sunbathe under a palm tree. You can even arrange a jet-ski rendezvous for some extra excitement. Choose between a variety of different yachts, and each one can be tailored to suit your desires!

Fishing Charters - Enjoy deep sea or inshore fishing on a private charter in the nearby Gulf Stream or along the coastal flats and islands. The combination of being able to stay close to shore yet get some big catches make Miami an ideal destination for all types of fishing.

THE MIAMI BEACH EDITION®

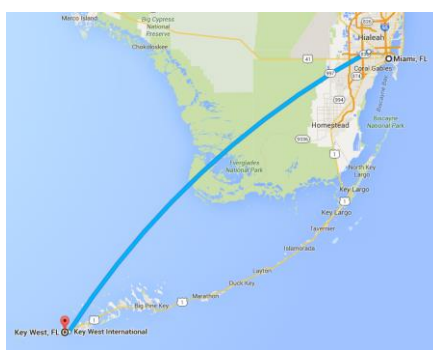

Professional Sports – Between the NBA Miami Heat (Winter and Spring), NFL Miami Dolphins (Fall and Winter), MLB Miami Marlins (Spring and Summer) and the NHL Florida Panthers (Winter and Spring), Miami has her fill of exciting sporting events to experience.

City Tours – Experience the beautiful city of Miami in countless ways: cruise along historic Ocean Drive in a 1950s classic convertible, float across the Biscayne Bay causeways in an open-air, custom 8 passenger Jeep, explore Little Havana on a double-decker bus, and more.

Key West – Suddenly, Key West just got a lot closer. Instead of 8 hours of driving and dealing with traffic, fly! We can arrange a flight for three down to Key West. Not only do you get to Key West faster and have more time to enjoy once you're there, but you also get to enjoy the magnificent views the entire way down and back.
